

Hellbenders win first ever tournament at Scarecrow Showdown

November 5th, 2022

The Ozark Hellbenders came back from a three seed after pool play to win their first tournament in the team's history. Propelled by four former All-Stars the Hellbenders upset and got revenge against top seed Dirty Dozen. Then, pressed by impending darkness, the tournament championship against the Misfits was played under "one-pitch" rules to get the results before dusk. The Misfits were also playing in their team's first Champions Cup final. Victorious Secret and Dirty Dozen dominated pool play, but the Hellbenders got hot at the right time, and swept their way to the first place medals.
