No Glove No Love defeated the Outsiders 6 to 2 in the finals of the 3rd Annual Krampusnacht Ragball Tournament for their second tournament championship of the season. The Outsiders took pool B to arrive undefeated at the title tilt, and Dirty Dozen went undefeated through Pool A. No Glove No Love captain and 2022 Pitcher of the Year Jordan Thompson was forced to watch due to injury, but Tyler Byrns picked up the pitching slack and big offensive and defensive plays from All-Stars Ryan Taylor, Barton Underwood, and Emma Taylor helped push "NGNL" through the day.
